

## REPLYING TO YOUR OFFER OF ADMISSION AND APPLYING FOR HOUSING

**Online:** If you choose to accept your offer of admission, and submit your enrollment deposit online at [collegeadmissions.uchicago.edu](http://collegeadmissions.uchicago.edu), you will be directed to complete the housing application immediately.

**Mail:** Return your acceptance to the offer of admission and send in your enrollment deposit by check. Once your deposit has been recorded, you will be sent an email with information about how to access the online housing application at [collegeadmissions.uchicago.edu](http://collegeadmissions.uchicago.edu)

### HOUSING APPLICATION INFORMATION

- The information you provide on the housing application will be helpful in making your room and roommate assignments. You should consider carefully how you respond to each question on the application

### A Note about Room Assignments

- Applications receive assignment priority according to the date of payment of your enrollment deposit

- The deadline for making changes to your housing application, including roommate and residence hall requests, is 11:59PM CST on Friday, June 2
- Your housing assignment will be available via the [my.UChicago](http://my.UChicago) portal on Friday, August 4
- The number of available new student spaces in each residence hall varies year to year, as does student demand for particular halls and room types. Due to these variables, there will be students for whom we are unable to accommodate in their preferred hall or room type
- Students wishing to change rooms may add themselves to the General Waitlist as early as Orientation Week. Room changes will commence beginning the fourth week of the autumn quarter
- All residential students are bound by the Terms & Conditions of Occupancy
